# V. J. Heine & Walter Spike

SHORTHORN DISPERSION AND DISSOLUTION SALE

MONDAY – OCTOBER 13, 1958

SPALDING, NEBRASKA

12:00 Noon at Spalding Livestock Auction Pavilion

*Easy to reach on good roads. Approximately 60 miles north of Grand Island and 60 miles south of O'Neal. Approximately 150 miles from both Sioux City and Omaha.*

64 Cows and Calves

5 Bulls

14 Yearling Heifers

40 Steer Calves, 4-H Club Prospects

30 Yearling Steers and Heifers

Walter Spike is leaving the ranch, and the herd has been split down the middle. All of his cattle and part of those owned by V. J. Heine will sell. Mr. Heine established this registered Shorthorn herd in 1934 with choice Scotch foundation. Bulls now in service include: *Brilliant Archer* by Will-A-Dell Starry Archer 2d. This bull was first in class in the 1952 Omaha Show and Sale where he was purchased for \$1550. He sells as well as 24 daughters and many of the top calves are sired by him. *Fair Acres Pilot 2d* a grandson of the \$5,000 Baldowrie Watchman. *Will-A-Dell Liberator* by the \$2,000 Sandoon Dividend. *Peak View Tuscan 2d* by the Canadian bred Monarch Hustler. *Marellbar Linkage*, a son of the Perth reserve grand champion and top-selling bull Cruggleton Leishman. *Uehlamar Combination* by Priam Souvenir, half-brother to the grand champion group of three steers over all breeds at Chicago three years ago. *HHF Sentinel Souvenir*, the 1956 Denver sale champion bull.

These cattle will come to the sale right off of grass, but sell in excellent condition. Only 4 yearling bulls have received any grain. V. J. Heine, owner of Pilot Ranch, has purchased the top-selling bulls at Denver and Omaha for the past several years. Prior to that time he secured a number of bulls from the University of Nebraska that included sons of Ashburn Standard that sired the International grand champion steer, Ashburn Orange, and also sons of NU Gold Nugget, the Denver grand champion bull by Brawith Nugget. These are all young cattle, officially vaccinated for Bangs, and everything since the 1955 calf crop has been dehorned. Pedigrees furnished on everything with the exception of the commercial steers and heifers. All breeding cattle sell fully guaranteed. The cattle can be inspected at the ranch located 2 miles south of Primrose.

For the sale catalog and other details, write --

MERVIN F. AEGERTER, Sale Manager, SEWARD, NEBRASKA

Dick Kane, Auctioneer, Wisner, Nebraska

# SHORTHORN DISPERSION AND DISSOLUTION SALE

## General Information

**LOCATION** – The sale will be held at the Spalding Livestock Sale Pavilion at Spalding, Nebraska. It will start promptly at 12:00 noon on Monday, October 13, 1958.

Spalding is easily reached on good highways. It is 19 miles west of Albion, on Highway No. 91. It is approximately 150 miles from Omaha, Nebraska and the same distance from Sioux City, Iowa. It is located approximately 60 miles north of Grand Island.

**GUARANTEE** – All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but at their risk of loss or injury.

**TERMS** – The terms of the sale are cash.

**HEALTH** – All cattle will sell T.B. and Bangs tested, and official calf-hood vaccination for Bangs disease has always been practiced in this herd. All cattle are guaranteed to comply with the health regulations of any state or country into which they may go.

**MAIL ORDERS** – Those unable to be present and who desire to do so may send buying orders to any of the following reliable men, all who will be in attendance:

Mervin F. Aegerter, The Shorthorn World, Seward, Nebr.

Kenneth Fulk and Ted Aegerter, for the American Shorthorn Breeders' Association, Omaha, Nebr.

Lawrence Buller, The Nebraska Farmer, Lincoln, Nebr.

Arden Aegerter, Omaha Daily Journal Stockman, Omaha, Nebr.

Gene Rainbolt, The Cattleman, Alliance, Nebr.

**LUNCH** – Can be obtained out at the Sale Pavilion on sale day.

Although the owners and sale manager will do everything in their power to insure the safety of the sale-day guests, they assume no liability for accidents of any nature.

**SALE HEADQUARTERS** – The Sullivan Hotel in Spalding will be hotel headquarters. Motel accommodations also available. The cattle will be moved into Spalding on Saturday, October 11. Prior to that time they can be inspected at the ranch located 2 miles south of Primrose.

**Standard Guarantee of the  
American Shorthorn Breeders'  
Association**

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot even though bred are not given any guarantee.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.

# SHORTHORN DISPERSION AND DISSOLUTION SALE

## YOU WILL LIKE THE QUALITY AND BREEDING OF THESE SHORTHORNS . . .

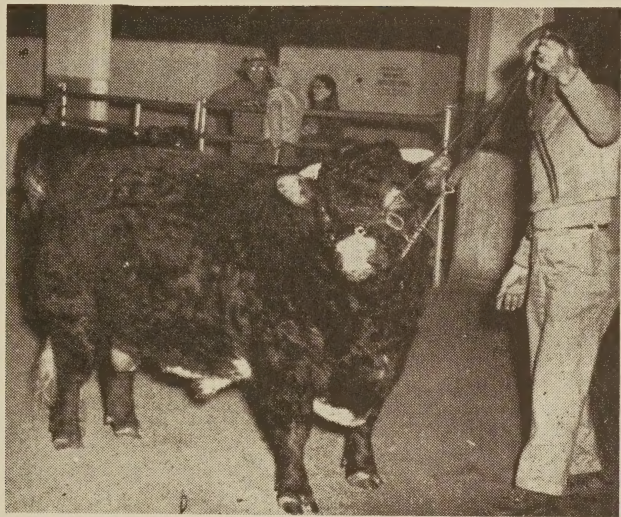

V. J. Heine and Walter Spike have operated the Pilot Ranch on a stock share lease since 1950. While the cattle have been handled on a 50-50 basis all pedigrees have been recorded under the ownership of V. J. Heine and transfer will be made directly from him to the new buyers.

V. J. Heine, owner of Pilot Ranch, at Primrose, Nebraska, established this registered Shorthorn herd in 1934 with females in the original cow herd of Tomson Brothers, Retzlaff and Tom Andrews breeding. His first bull was Comet's Gaffer by Edellyn Comet, then followed three bulls from the University of Nebraska that included a son of Ashburn Standard, sire of the International grand champion steer, Ashburn Orange. Then NU Golden Monarch, a grandson of Ashburn Standard. Next was NU Golden Archer by the Denver Stock Show grand champion NU Gold Nugget. Twenty daughters of Big Wig 15th sell in this sale. He was by the Canadian bred Sandoon Big Wig and out of a daughter of the International grand champion bull, Campbell's Command. Several daughters of the 1953 Omaha reserve champion bull, Arthur's Leader, also sell. Since the early 50's Mr. Heine has purchased several Omaha and Denver Sale champion and top selling bulls and these will all be found listed as reference sires in this catalog.

I had the pleasure of personally inspecting the entire herd on August 19. The cattle were grass fat and showed uniform quality from the older cows right on down to this spring's present calf crop. The 1100 acre Pilot Ranch is in many places waist-high with grass this year, a healthy environment for the production of top quality beef cattle. Mr. Heine has always maintained excellent herd records, and because of their constant association with the herd, both he and Mr. Spike knew their cattle better than most smaller breeders with only a fraction of the number of cattle.

These are thick-bodied, beautifully fleshed, good-headed, well-bred cattle that have good production records back of them. Because the herd has been split right down the middle, here is your opportunity to own some of the best ones.

**Merv Aegerter, Sale Manager**

# SHORTHORN DISPERSION AND DISSOLUTION SALE

**COVER PAGE PHOTO** — Shown here is V. J. Heine and Walter Spike at the 1952 Omaha Sale when they purchased Brilliant Archer that sells in this sale as Lot 1. This Johnson Brothers bred bull has done a real job. He and his get will be one of the attractions in this sale.

\* \* \* \* \*

**30 YEARLING STEERS AND HEIFERS SELL** — This was the late end of last year's calf crop. They are all dehorned and blackleg vaccinated. There are 22 steers and 8 heifers.

They have been on the best of grass but have received no grain. They are short-legged, smooth and blocky.

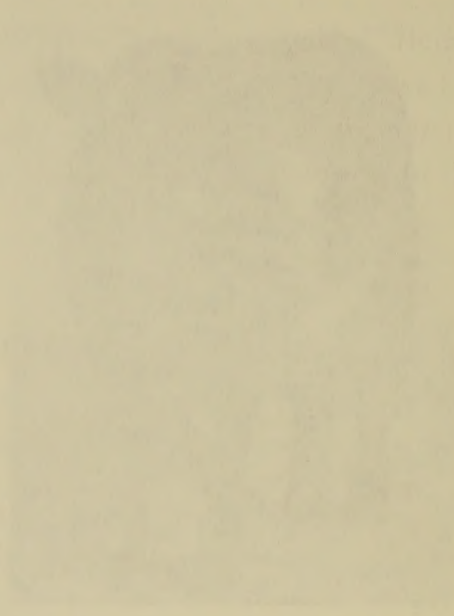

### **40 CLUB CALVES SELL**

All dehorned and castrated — Every one out of a registered cow and sired by one of the top Heine and Spike bulls. These calves will be weaned by sale day and a good many of them will be found to be top quality prospects for 4-H project work. The tops of these will be sold singularly, and the rest will be offered in groups to suit the buyers.

\* \* \* \* \*

From the most reliable reports it would appear that we are at the low point in total cattle numbers in the current cattle cycle. The cyclical peak in beef cattle prices usually occurs a couple of years after the low point in total cattle numbers, when both consumer and producer demands for beef cattle are strongest. It is safe to reason then that a peak in beef cattle prices is likely two or three years hence. It would appear that this might be a good time for moderate expansion of beef cattle herds without undue risk of severe price reaction.

# Memo

AS CLUB CALVES SELL

Please Bring this Catalog with You!

## **We're Selling Nearly 200 Head of Shorthorns ...**

**MORE THAN IN ANY OTHER SALE IN THE COUNTRY THIS FALL.**

They will sell individually and in groups. An opportunity for buyers to make selections singly or in volume.

Represented are the progeny of champion and top-selling bulls, and of a Scotch cow herd established in 1934 from some of the best blood in the business.

These cattle sell right off of grass (but it has been wonderful grass this year). Every animal selling has a good production record and that's why we are selling them fully guaranteed because we know they will do well for you.

**HERE IS A SALE THAT IS EASY TO REACH,** and there will be plenty of trucks available to deliver these cattle for you right after the sale. Because of the large offering, remember we start selling promptly at 12:00 Noon.
